

Re-setting Students Expired C2K Password at Home

If a password expires, or needs to be reset and the user knows their old password, they can go to <https://services.c2kni.net/ums>
Enter the required details as per the screenshot below and the new password will be registered.

If a pupil's password expires and they don't remember their password, in the first instance they should contact their Form Tutor stating their c2k username. They should be able to reset the pupil's password for them.
