

Information for Parents and Pupils – School Re-opening September 2021

Dear Parent / Carer,

Please find below final information regarding the return of pupils to Saint Fanchea's College at the start of our new academic year.

The college staff will strive to ensure that Saint Fanchea's College is an environment in which all of our school community remain safe and where learning and teaching as we are accustomed to, will resume. Returning to school can be stressful at the best of times, let alone during a global pandemic. Many pupils will undoubtedly be anxious in returning into the school environment and our staff will strive to be compassionate to their needs. On your daughter's return to school, our teachers will implement a pastoral recovery curriculum, starting with a focused induction day for each year group, in order to support them on their return.

Starting Date	Year Groups
Wednesday 1 st September 2021	11 / 12 / 13 / 14
Thursday 2 nd September 2021	9 / 10
Friday 3 rd September 2021	8

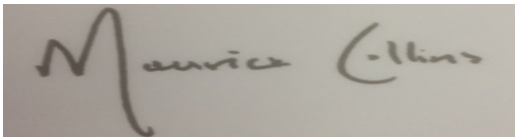

Following the publication of guidance that was issued from Department of Education on 18th August 2021, the Senior Leadership Team have been working with staff to develop plans to enable all of our pupils to safely to return to school in September 2021 (<https://www.education-ni.gov.uk/coronavirus-covid-19-guidance-schools-and-educational-settings-northern-ireland>).

The response to COVID-19 continues to take place in a fluid and changing environment and the guidance in this booklet is subject to adaption and change at any time. We will follow the scientific, medical and public health advice as is issued by the relevant authorities. If you have any queries about any of the details in this guidance booklet, please contact the college. The working partnership between home and school will be essential in assuring the safety of everyone in the school community over the coming year.

We expect that normal home-school transport services will run as normal from Wednesday 1st September 2021. Parents and pupils are reminded of the requirement of wearing a facemask on buses / taxis unless they are exempt under medical reasons. On the day your daughter returns to school, and every day your daughter comes to school, she will be greeted by a member of staff who are there to reassure them and support them.

The school canteen will operate as normal for all pupils. Applications for free school meals / school uniform can be made through the Education Authority: <https://www.eani.org.uk/financial-help/free-school-meals-uniform-grants/apply-for-free-school-meals-uniform-grants>

Thank you for your continued support.

A rectangular box containing a handwritten signature in dark ink. The signature reads "Maurice Collins" in a cursive style.

Maurice Collins (Principal)

KEY MESSAGES OF LATEST UPDATED COVID-19 GUIDANCE TO EDUCATIONAL SETTINGS

Public health guidance with respect to social distancing of 2 metres remains in place between adults and as far as possible between adults and pupils.

The use of formal bubbles is no longer required but schools can continue to exercise judgement on their use.

Mitigating measures will remain in place such as maintaining social distancing as well as good hand and respiratory hygiene practices.

Schools should continue to manage their pupil circulation by adopting one-way systems in corridors and on stairs.

It is mandatory for all post-primary school age pupils to wear a face covering on all public and school transport unless they have a reasonable excuse not to. Schools Some pupils are exempt from wearing face coverings and this should be treated sensitively. The requirement for post-primary pupils to wear a face covering in classrooms will be applied until 8th October 2021 (subject to review).

The risk of transmission from sharing resources such as library books or bringing schoolbags into school is extremely small. Pupils bring in items into school such as schoolbags or pencil cases.

Pupils will be allowed to wear their PE tracksuits / other on days when they are timetabled for PE. This will allow parents time to clean uniforms on a more regular basis.

Staff Pupils in years 8-14 will be offered the opportunity to participate in the LFD testing programme Participants are encouraged to test twice each week (Sunday & Wednesday) during school terms and to upload their results (either positive or negative) to the online portal in order that these results can be collated. Pupils are encouraged to conduct a LFD test the day in advance of their return to school.

<https://sway.office.com/whz8dJ46JpeKlCIV?ref=Link>

If a pupil is willing to take a LFD test before school returns, test kits can be obtained using one of the following methods (this is for the initial return to school only):

- Collect from one of the Local collection sites operated as part of the National testing Programme or local government, using the Link: <https://maps.test-and-trace.nhs.uk/>
- Order using **LFD Direct**. <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Pupils who receive a positive Covi-19 test result from a LFD test are asked to be kept at home until they can get a PCR test at a local testing centre. If the PCR test result is negative, there is no longer a need to self-isolate for ten days and they can return to school.

Pupils with symptoms of COVID-19 are asked to be kept at home until they can get a PCR test at a local testing centre. If the test is negative, there is no longer a need to self-isolate for ten days and they can return to school.

Pupils in school with symptoms of COVID-19 will be sent home until and they will be expected to get a PCR test at a local testing centre. If the test is negative, there is no longer a need to self-isolate for ten days and they can return to school.

Pupils will need to isolate if they have been identified as a close contact and to take a PCR test. If the test is negative, there is no longer a need to self-isolate for ten days and they can return to school.

From Monday 16th August 2021, **if you are fully vaccinated** (more than 14 days since you received the second dose of an approved COVID-19 vaccine), you no longer need to self-isolate for 10 days if someone you have been in close contact with tests positive for COVID-19. This applies to pupils and staff who are fully vaccinated.

Pupils with symptoms of COVID-19 are asked to be kept at home until they can get a PCR test at a local testing centre.

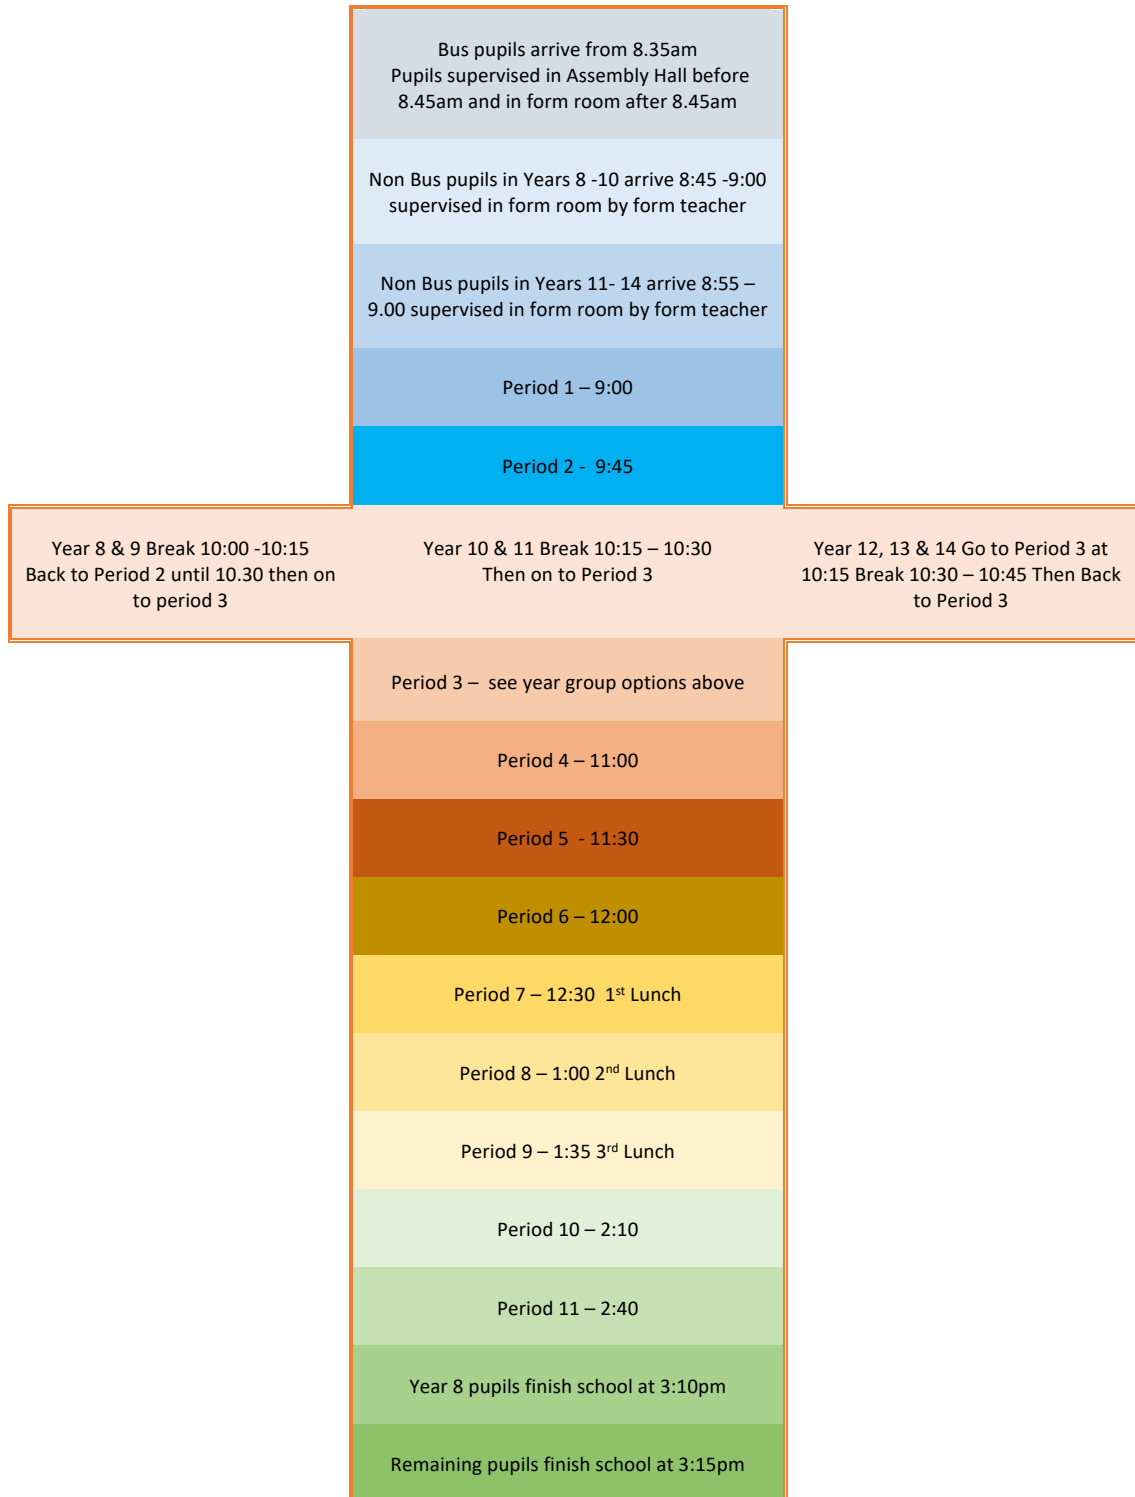

Pupils who are not fully vaccinated need to self-isolate for 10 days if someone they have been in close contact with tests positive for COVID-19.

The Department of Education expects to see the resumption of practical activities across the curriculum for all pupils in 2021-22.

All indoor and outdoor extra-curricular activities are permitted to resume in schools based upon the continuing application of the mitigations measures already employed by schools.

Our School Day

(from 1st September 2021)

Normal Timetable for all Pupils

- All pupils should arrive to school for 8:45 - 9:00am in full school uniform (apart from pupils who are timetabled for PE lessons)
- Pupils will use the steps up to the college and enter the college building through the rear door entrance
- Pupils who use dedicated EA / Translink home-school transport can arrive at and enter the school between 8:30am-9:00am through the rear door entrance
- Lunches will be served in the school canteen over three staggered lunch breaks
- A breakfast club will operate in the school canteen from Monday 6th September 2021 every morning from 8:45am
- Pupils are expected to bring a face covering which will be worn on school / home transport, during all lessons and when moving on the corridors inside the school building
- Pupils will be expected to follow the requirements which are detailed in this booklet related to social distancing and personal hygienic practices
- Pupils will be expected to bring a school bag to carry their books / pencil case / folders
- All pupils who do not use dedicated home-school bus transport can be collected from school from 3:20pm at the turning circle at the bottom of the avenue
- Parents are not permitted to collect / drop off pupils at the main school front door entrance unless they have permission from the Principal
- Dedicated school transport / public bus services are expected to run as normal from Wednesday 1st September 2021

New measures & procedures

- There is limited access to school grounds/premises for all visitors. The school building will only be accessible to staff and pupils. All other communication with school will be via telephone or online. If a parent needs to meet with staff, they must contact the college and make an appointment in advance.
- Circulation of pupils and staff throughout the school building and grounds will be via a strictly supervised one-way system and the outside of the school will be utilised as much as possible to allow for safe circulation and social distancing. Pupil movements on corridors will be staggered and supervised at all times to minimise congestion. Pupils will adhere to 1m social distancing between other pupils when circulating throughout the school building. The one-way system is clearly marked with directional arrows and signage to direct pupil movement.
- Pupils will walk in **a single file on the left hand side** of the corridor and **carry their school bag on their right hand side**.
- The following areas will have two-way movement system:
 - Mathematics & Technology Block
 - Main Foyer at front door
- Pupils will adhere to 2m distancing with all adults in the school building. Social distancing signage will be posted in all rooms / corridors around the building. Social distancing floor markings will be placed in key areas (toilet areas / changing rooms / etc ...)
- Teachers will direct a specific seating plan for pupils in each classroom to maximise social distancing. Pupils will be expected to sit at the same desk for the duration of time they are in a classroom.
- Pupils will be expected to go to the toilet at designated break / hand washing times.
- Locker Rooms and Post 16 common room areas will be closed.
- There will be a reduction of pupil population in the school canteen during staggered lunchtimes and break-times. Those pupils who bring packed lunches may be allocated to alternative designated areas around the college building.

	<ul style="list-style-type: none"> • Pupils who are unable to attend due to shielding guidance from a GP will be facilitated via a <i>'blended online approach'</i> to learning as far as practically possible. An individual plan will be developed for each pupil as required. Parents should contact the college in the first instance where a plan is required. • The SIMS Parent App and the email database will be the main communication hub between the college and parents over the coming academic year. It is vital that ALL PARENTS / CARERS have informed the main office of their email contact and of any other changes to their contact details. • All visitors to the school will be expected to sign in and leave contact details at the school reception to support the COVID – NI 'track and trace' process • There will be no unnecessary gatherings at the school gates / turning area. These areas will be supervised by staff at the start / end of the school day. • The Behaviour Management policy is amended to consider COVID-19 related incidents where refusal to adhere to the college's arrangements put other pupils or staff at risk. Pupils will be informed of the new processes and expected behaviours within the new COVID-19 Behaviour Management Policy on their induction day. This policy will also be communicated to parents.
<p>Travel to and from School</p> 	<ul style="list-style-type: none"> • If possible, parents should try and arrange their own transport for pupils to school. • Dedicated school transport / public bus services are expected to run as normal from Wednesday 1st September 2021. • It is mandatory that all pupils should wear a face covering on school transport including taxis unless they have a reasonable excuse not to. Face coverings should be worn for the whole journey and at transport hubs / bus stops. • Spot checks will take place in the mornings and afternoons at school sites, transport hubs and mid-journey. • Anyone with symptoms of COVID-19 must follow the Public Health Agency guidance. This includes parents ensuring that their child(ren) do(es) not travel to or attend school if they or a member of their household has symptoms.

	<ul style="list-style-type: none"> • On home-school transport services, where possible, pupils should sit with people from their own school or with their brother/sister. • Pupils should give other people space when they are waiting for their bus and on board. • Pupils should wash their hands or use hand sanitiser before getting onto buses.
<p>Hand Hygiene, Face Coverings and cleaning</p> 	<ul style="list-style-type: none"> • All pupils are encouraged to bring their own personal supply of hand sanitiser which should be used regularly. All pupils, staff and visitors are to sanitise their hands on entry into the school building. • Pupils should not share their personal hand sanitiser with other pupils to avoid cross-contamination. • Pupils on entry to the college building will be welcomed and directed by staff to go to the toilet facilities to enable pupils to wash their hands thoroughly before going to their designated areas (Assembly Hall / classroom). • Pupils will be expected to make regular use of the sanitisation stations that have been located throughout the school. Pupils will be expected to sanitise their hands when they enter and leave all classrooms. • All classroom areas will be cleaned after every lesson. Supplies of disinfectant sprays and paper towels will be available in every room and bins will be emptied regularly during the school day. • All pupils will be expected to wash their hands thoroughly for 20 seconds before and after lunch / break. • All pupils are required to bring their <u>own</u> facemask into school: https://www.nidirect.gov.uk/articles/coronavirus-covid-19-face-coverings • All pupils and all adults must wear a facemask when moving when moving around the building e.g. at the change of class, during lessons when on the school corridors etc ...) and when using toilet facilities. • Pupils and adults must wear a facemask during lessons. The wearing of face coverings is now compulsory for all pupils and adults in post primary schools unless they have a reasonable excuse not to do so.

Coronavirus is spreading

Wash your hands
well and often

Avoid touching your face

- A box of tissues will be available in each classroom.
- Pupils will be reminded about the importance of good respiratory hygiene and should follow 'catch it, bin it, kill it' approaches.
- Pupils will have regular designated breaks to go to the toilet facilities. Pupils will be expected to wash their hands thoroughly after visiting the toilet.
- Pupils will have designated afternoon slot to use toilet facilities to wash their hands towards the end of the school day to minimise transmission between school and home.
- Pupils will be encouraged to:
 - Avoid touching eyes, face, nose and mouth
 - Avoid putting hands / fingers in mouth
 - Cough into their elbow if they don't have a tissue / paper towel
 - Cough into tissues and dispose safely into the nearest bin
- Signage to promote effective hygiene practices are posted across all rooms in the college building (including toilet and office areas).
- A full enhanced clean has taken place over the summer break in accordance with PHA guidance.
- Enhanced cleaning provision will be in place during and after the school day. The school will put in place the regular cleaning of key areas and other critical touch surfaces.

Uniform

- Normal school uniform rules will apply from Wednesday 1st September 2021 (except on the days when pupils are timetabled for PE classes).
- Pupils should wear their PE kit on the day when they are timetabled for PE. Pupils should wear tracksuit bottoms/leggings but can wear their shorts underneath.
- On PE day pupils are not required to change back into full uniform at the end of their timetabled lesson.
- Changing rooms will be utilised but with reduced capacity and numbers.
- Parents should strive to ensure that pupils wear clean and fresh uniform every day.

<p style="text-align: center;">Lunch-time & Break-time</p> 	<ul style="list-style-type: none"> • School Meals provision will operate from Wednesday 1st September 2021. • Pupil groups will access the canteen for lunch / break on a staggered basis. Each class group will have an allocated slot for each day and the college will strive to ensure that individual year groups will be sitting their lunch breaks in separate areas of the canteen / designated time slots. • Pupil class groups will move to / from the canteen via outdoor routes (weather permitting). • Canteen supervisors and a teacher will ensure that appropriate social distancing is adhered to at all times in the canteen. • Pupils will be required to wear a face covering while queuing at the counters / tills in the canteen. • The biometrical finger scanner at the canteen till areas will be sanitised after each individual use by pupils. • Some pupils who take packed lunches may have alternative designated areas to eat their lunch / break. • A hand sanitiser station will be located at the entrance to the canteen. • Pupils will transfer money to the biometric system once a week during a designated time. Parents will ensure that their daughters will transfer their expected weekly expenditure to the system once a week. Sanitiser wipes will be located beside the two biometric stations in the school. • The water fountains around the school building will be permanently switched off to minimise virus transmission. Pupils are encouraged to use vending machine to purchase water bottles. A sanitiser dispenser is attached to the vending machine. Pupils can also purchase water bottles in the canteen.
<p style="text-align: center;">Pupil Equipment</p>	<ul style="list-style-type: none"> • Pupils are permitted to carry a school bag which should contain: <ul style="list-style-type: none"> ○ Pencil case (a list of essential equipment will be shared with pupils during induction days). Equipment which pupils have in their pencil case should not be shared with any other pupil.

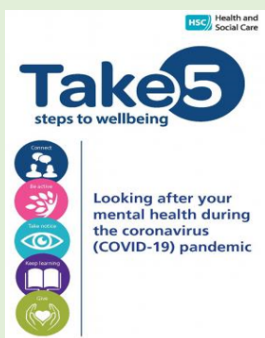

- Packed lunch bag
- Ring Binder with refill pad
- Textbooks / note books

Stationery List
(Pupils are expected bring this equipment with them to school every day)

1 generously sized pencil case	HB pencil	Small dictionary/ Thesaurus (ideally combined)
Ball point Pens - Black/blue/ red/green	Sharpener	Protractor
Pritt Stick	Highlighters (selection of colours)	Small Sellotape roll
Ruler (30cm)	Colouring pencils	Scientific calculator
Rubber	A4 lined paper (refill pad)	

Learning & Teaching

- Pupils will remain with their form class groups as a ‘classroom bubble’ for their core subjects and will move to different classrooms to ensure that they receive teaching in their chosen subject areas / practical subjects. Year 11 & 12 pupils will have mixed teaching groups to accommodate their subject options. All classroom desk surfaces and chairs will be cleaned after every lesson.
- Post 16 pupils will follow their normal timetable. All classroom desk surfaces and chairs will be cleaned after every lesson.
- The Assembly Hall and the Lecture Drama Room will be re-designated as classroom areas to accommodate larger class sizes for key subject areas.
- Guidance will be issued to staff, pupils and parents about the arrangements in place for the awarding of centre declared grades across GCSE / GCE / BTEC / Level 2 courses.
- Extra-curricular activities / inter school competitions / educational visits / school trips will continue from 1st September 2021. Pupils and parents will be informed when after school activities can re-start.
- Music Service Staff and visiting music tutors will resume tuition provision

INFORMATION ABOUT CORONAVIRUS

<p style="text-align: center;">Pupil Health</p> 	<p>If any pupil has an underlying medical condition or is allergic to specific hand sanitisers, parents should notify the form teacher in writing on the date of their daughter’s return to school. If there are pupils who were previously shielding or living with someone who was previously shielding, parents should contact Mrs Harron (Assistant Principal) / Mr Collins (Principal) on their return to school so that a personalised risk assessment can be developed / updated for these pupils.</p>
<p style="text-align: center;">Symptoms of coronavirus (COVID-19)</p> 	<p style="text-align: center;">IF A PUPIL OR A FAMILY MEMBER SHOWS ANY OF THE FOLLOWING SYMPTOMS OF COVID-19, PUPILS SHOULD <u>NOT</u> ATTEND SCHOOL AND STAY AT HOME AND ORGANISE A PCR TEST</p> <ul style="list-style-type: none"> • a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual); OR • a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature); OR • a loss of or change in sense of smell or taste
<p>What should you do if you think you have COVID-19?</p>	<p style="text-align: center;">Everyone you live with must stay at home. You MUST arrange a PCR test for COVID-19</p> <p>If you have COVID-19 symptoms, however mild, you should begin self-isolating and book a PCR test.</p> <p>https://www.publichealth.hscni.net/covid-19-coronavirus/covid-19-information-public#what-should-i-do-if-i-think-i-have-covid-19</p> <p>While waiting for your PCR test or if you receive a positive diagnosis for COVID-19: You will need to stay at home for at least 10 days from when your symptoms started; after 10 days from when your symptoms started.</p>

You should continue to isolate until the result of the test is available. If the result is positive you should continue to self-isolate for 10 full days after the symptoms started.

You can end self-isolation 10 days after your symptoms started, as long as you do not still have a high temperature. If you still have a high temperature, you need to continue to self-isolate until your temperature has returned to normal for 48 hours.

You do not need to continue self-isolating for more than 10 days if you only have a cough or loss of sense of smell/ taste, as these symptoms can last for several weeks after the infection has gone

All parents are strongly encouraged to download the StopCOVID-NI Proximity app onto their smart phones / ipads.

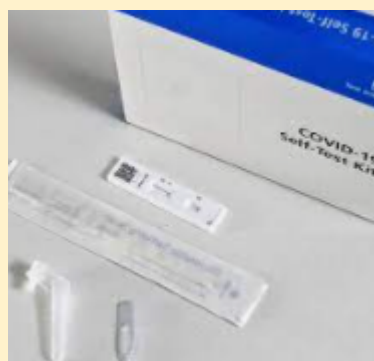

<https://www.nidirect.gov.uk/articles/coronavirus-covid-19-stopcovid-ni-proximity-app>

You can ring NHS 111 for information or advice and they will help you decide if you need to contact your GP. Calling your GP may be necessary if you have:

- an existing health condition
- problems with your immune system
- you feel you are not coping with your symptoms.

Do **not** attend your GP surgery or emergency department in person before calling ahead and speaking with someone. If you have very serious symptoms or feel it is a medical emergency and you need to call an ambulance, dial 999 and inform the operator of your symptoms.

Lateral Flow Tests

Staff Pupils in years 8-14 will be offered the opportunity to participate in the LFD testing programme.

Participants are encouraged to test twice each week (Sunday & Wednesday) during school terms and to upload their results (either positive or negative) to the online portal in order that these results can be collated. Pupils are encouraged to conduct a LFD test the day in advance of their return to school.

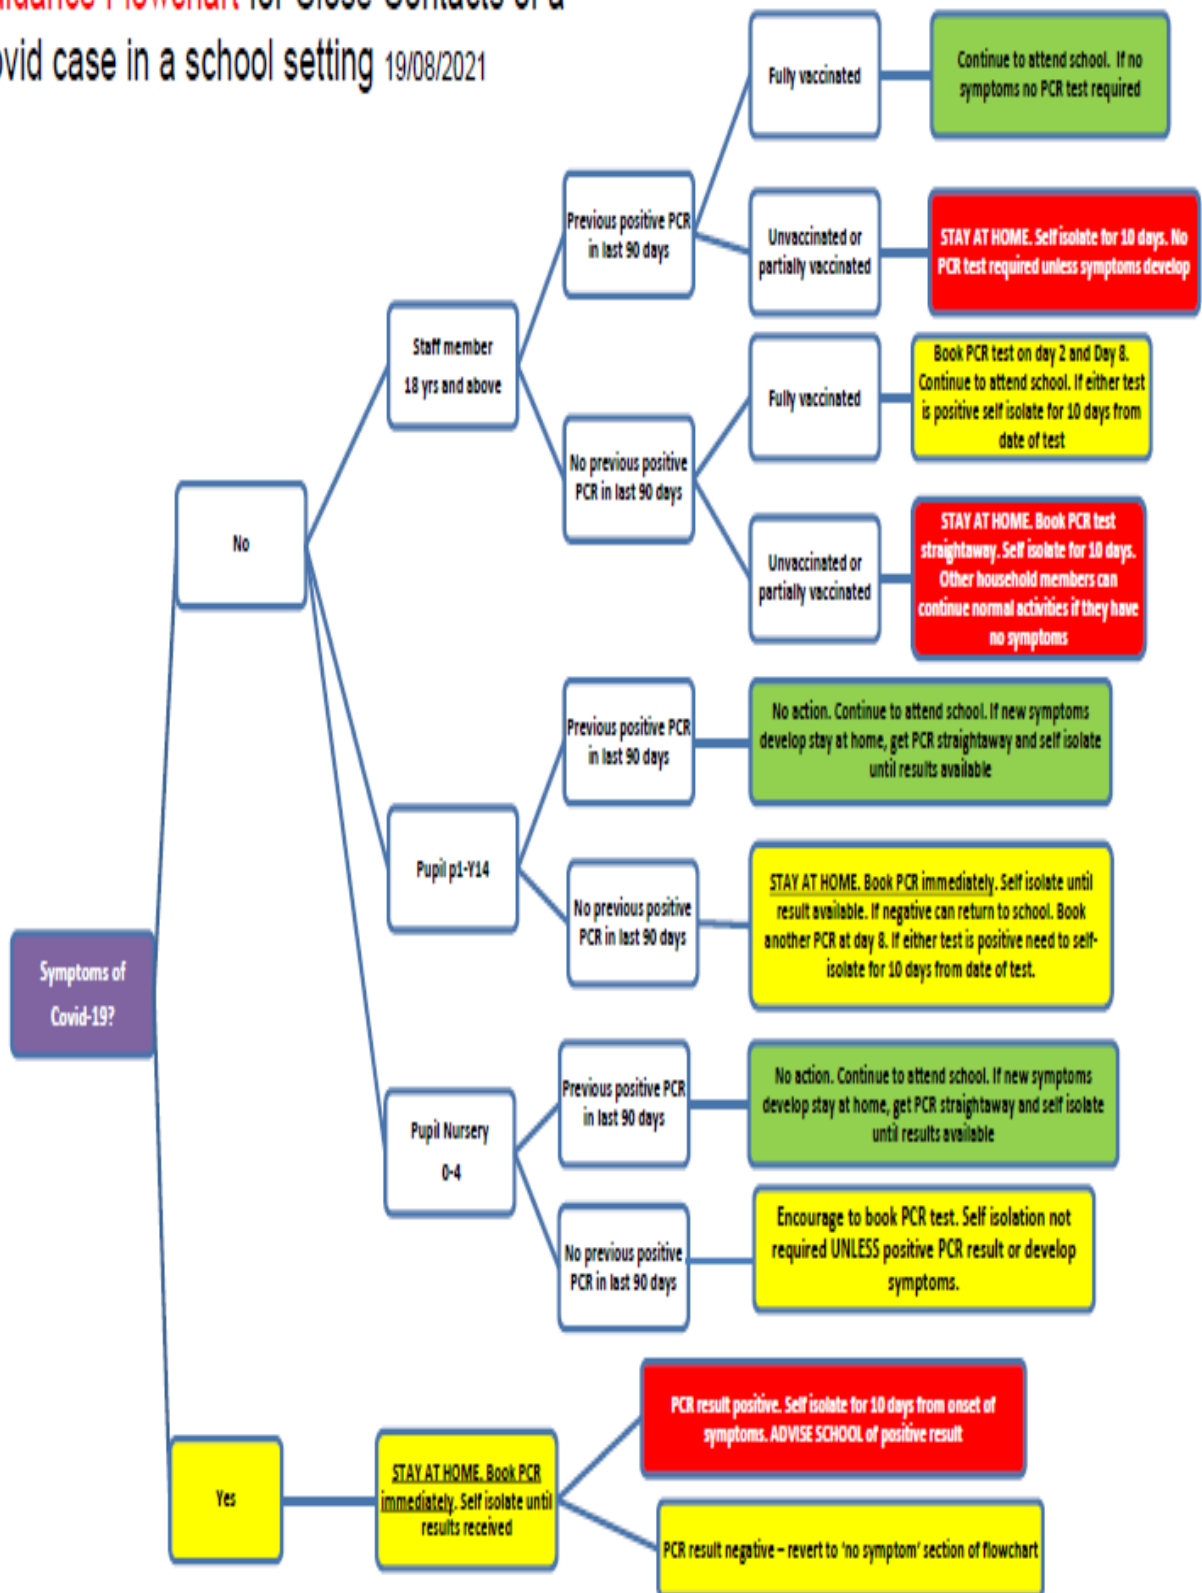

<https://sway.office.com/whz8dJ46JpeKLcIV?ref=Link>

	<p>If a pupil is willing to take a LFD test before school returns, test kits can be obtained using one of the following methods (this is for the initial return to school only):</p> <ul style="list-style-type: none"> • Collect from one of the Local collection sites operated as part of the National testing Programme or local government, using the Link: https://maps.test-and-trace.nhs.uk/ • Order using LFD Direct. https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests <p>All pupils will receive a LFD test kits on their return to school.</p>
<p>Close contacts of Covid-19</p>	<p>A close contact can be:</p> <ul style="list-style-type: none"> • anyone who lives in the same household as someone with COVID-19 symptoms or who has tested positive for COVID-19 <p style="text-align: center;">OR</p> <p>anyone who has had any of the following types of contact with someone who has tested positive for COVID-19 with a PCR test:</p> <ul style="list-style-type: none"> • face-to-face contact including being coughed on or having a face-to-face conversation within one metre • skin-to-skin physical contact for any length of time • been within one metre for one minute or longer without face-to-face contact • been within 2m of someone for more than 15 minutes (either as a one-off contact, or added up together over one day) • travelled in the same vehicle
<p>What should you do if you have been identified as a close contact?</p>	<p>Individuals who are not vaccinated: You should self-isolate for 10 days if you are a close contact of someone who has tested positive for COVID-19 if you're not fully vaccinated. You will be expected to take a PCR but, even if this is negative, you still need to complete the isolation period. These individuals should not attend school when they are identified as a close contact unless they have received a positive PCR test result for COVID-19 within the last 90 days.</p> <p>Individuals who are fully vaccinated: From Monday 16th August 2021, if an individual is fully vaccinated (more than 14 days since the second dose of an approved COVID-19 vaccine was received), they no longer need</p>

	<p>to self-isolate for 10 days if someone they have been in close contact with tests positive for COVID-19. These individuals can <u>still</u> attend school.</p> <p>Instead of staying at home and isolating, individuals who are fully vaccinated (more than 14 days since the second dose of an approved COVID-19 vaccine was received), should get a PCR test on day two and day eight of the 10 day period following last contact with the positive person. If the PCR test is positive, whether or not they have symptoms, the individual should complete a period of 10 days self-isolation from the day they first had symptoms, or the day the test was taken if there were no symptoms.</p> <p>If an individual who is a close contact develops symptoms at any time they should immediately self-isolate and book a PCR test, even if the earlier PCR tests were negative.</p> <p>https://www.nidirect.gov.uk/articles/coronavirus-covid-19-self-isolating</p> <p>NB: If an individual is a close contact who is fully vaccinated, or under the age of 18, and have had a positive PCR test within 90 days of the date of contact, they do not need to isolate and do not need to book tests at day two and day eight. However, if this individual develops symptoms, they should isolate and book a PCR.</p>
<p>Procedures for Pupils who have symptoms of COVID-19 during the school day.</p>	<p>If any pupil displays symptoms of COVID-19 during school, they, and any members of their household within the college will be sent home and advised to follow PHA guidance for households with a possible COVID-19 infection.</p> <p>A pupil who presents with <u>any</u> of the COVID-19 symptoms will be accompanied by a member of staff to a separate ventilated area. This area will be supervised at all times by a member of staff and the pupil will have access to designated toilet facilities.</p> <p>A pupil who presents with <u>any</u> of the COVID-19 symptoms will be EXPECTED to be collected promptly by parents / carers to minimise transmission within the college community.</p> <p>Parents / carers will be contacted by telephone and asked to immediately collect their daughter, and other siblings enrolled in the college. The whole family will be advised to follow the guidance for households:</p> <p>https://www.nidirect.gov.uk/articles/coronavirus-covid-19-self-isolating</p>

	<p>It is vital that ALL PARENTS / CARERS have informed the main office of any changes to their contact details. An additional contact is recommended if a parent / carer is not available. The priority will be to ensure that a symptomatic pupil is <u>not</u> left on the school site for longer than is necessary in order to minimise the transmission risk to the wider school community.</p> <p>The college will adhere to all Public Health Authority guidelines and will contact the PHA to follow expected procedures.</p> <p>A separate FIRST AID medical room (adjacent to the main reception) will operate as normal for all other medical concerns.</p>
<p>The 4 'S'-words</p>	<p>The overarching principles for the safe return of pupils to Saint Fanchea's College have been designed around the 4 S-words.</p> <ol style="list-style-type: none"> 1. Stay at Home (if you feel ill or having any symptoms then DO NOT attend school. Stay at home and ring the school office to register your absence). 2. Sanitise (wash your hands regularly with soap and water for at least 20 seconds. Use hand sanitiser regularly) 3. Safeguard (wear a face covering when moving around the building, look out for each other, exercise good respiratory hygiene, e.g. coughing 'Catch it, bin it, kill it') 4. Separate (maintain a safe social distance at all times, don't touch each other, don't share equipment, follow one-way system).

Guidance Flowchart for Close Contacts of a Covid case in a school setting 19/08/2021

Home School Communication Protocols

Following increasing numbers of cases positive COVID-19 cases across Northern Ireland, it is important that there are effective, efficient and clear communication channels between home and school in order to minimise the transmission of COVID-19 into the school community. Parents/ Carers are asked to use the main college email account (info@stfancheascollege.enniskillen.ni.sch.uk) – especially when the during **‘out-of-hours’** periods or **over the weekend** when the college is closed.

COVID-19 COMMUNICATION FOR PARENTS / CARERS
<p>If your daughter develops COVID-19 symptoms at home and will be isolating in advance of a test.</p> <p>Send an email to the college email account: info@stfancheascollege.enniskillen.ni.sch.uk</p> <p>Enter ‘COVID-19 SYMPTOMS’ into the subject row of the email and give a brief summary of your details / daughter’s symptoms in the main message area. Please also include your telephone contact number.</p>
<p>If your daughter is self-isolating.</p> <p>Send an email to the college email account: info@stfancheascollege.enniskillen.ni.sch.uk</p> <p>Enter ‘COVID-19 SELF ISOLATING’ into the subject row of the email and give a brief summary of your details / reasons for self-isolation in the main message area. Please also include your telephone contact number.</p>
<p>If your daughter has a positive COVID-19 PCR test result.</p> <p>Send an email to the college email account: info@stfancheascollege.enniskillen.ni.sch.uk</p> <p>Enter ‘POSITIVE COVID-19 TEST RESULT’ into the subject row of the email and give a brief summary of your details in the main message area.</p> <p style="text-align: center;">Please also include your telephone number as a member of staff will need to contact you.</p>
<p>If your daughter has a negative COVID-19 test result.</p> <p>Send an email to the college email account: info@stfancheascollege.enniskillen.ni.sch.uk</p> <p>Enter ‘NEGATIVE COVID-19 TEST RESULT’ into the subject row of the email and give a brief summary of your details in the main message area.</p> <p style="text-align: center;">Please also include your telephone number as a member of staff will need to contact you.</p>
