Pupil Attendance Policy

2022-2023

Everyone in Saint Fanchea's College is committed to providing a caring environment where pupils will achieve to their full potential. We believe that if pupils are to benefit from the education provided, good attendance and punctuality are crucial. In Saint Fanchea's we will do all we can to ensure maximum attendance for all pupils. Any problems that impede punctuality and regular attendance will be identified and addressed as quickly as possible. We will convey to parents and pupils the importance of good attendance. We recognise that parents have a vital role to play and there is a need to develop a close partnership between school, parents and the Education Welfare Service.

A whole school target for attendance has been set at **93%** and this will be reviewed at the start of each academic year. This target will be used to monitor individual and class attendance on a monthly basis. Each pupil has a personal target of **95%**.

Pupils who achieve 100% attendance for the full school year will receive a special reward and they also receive a certificate and a 100% attendance badge. At the end of each month Form teachers award points on the Behaviour Module in SIMs, as points accumulate pupils are rewarded.

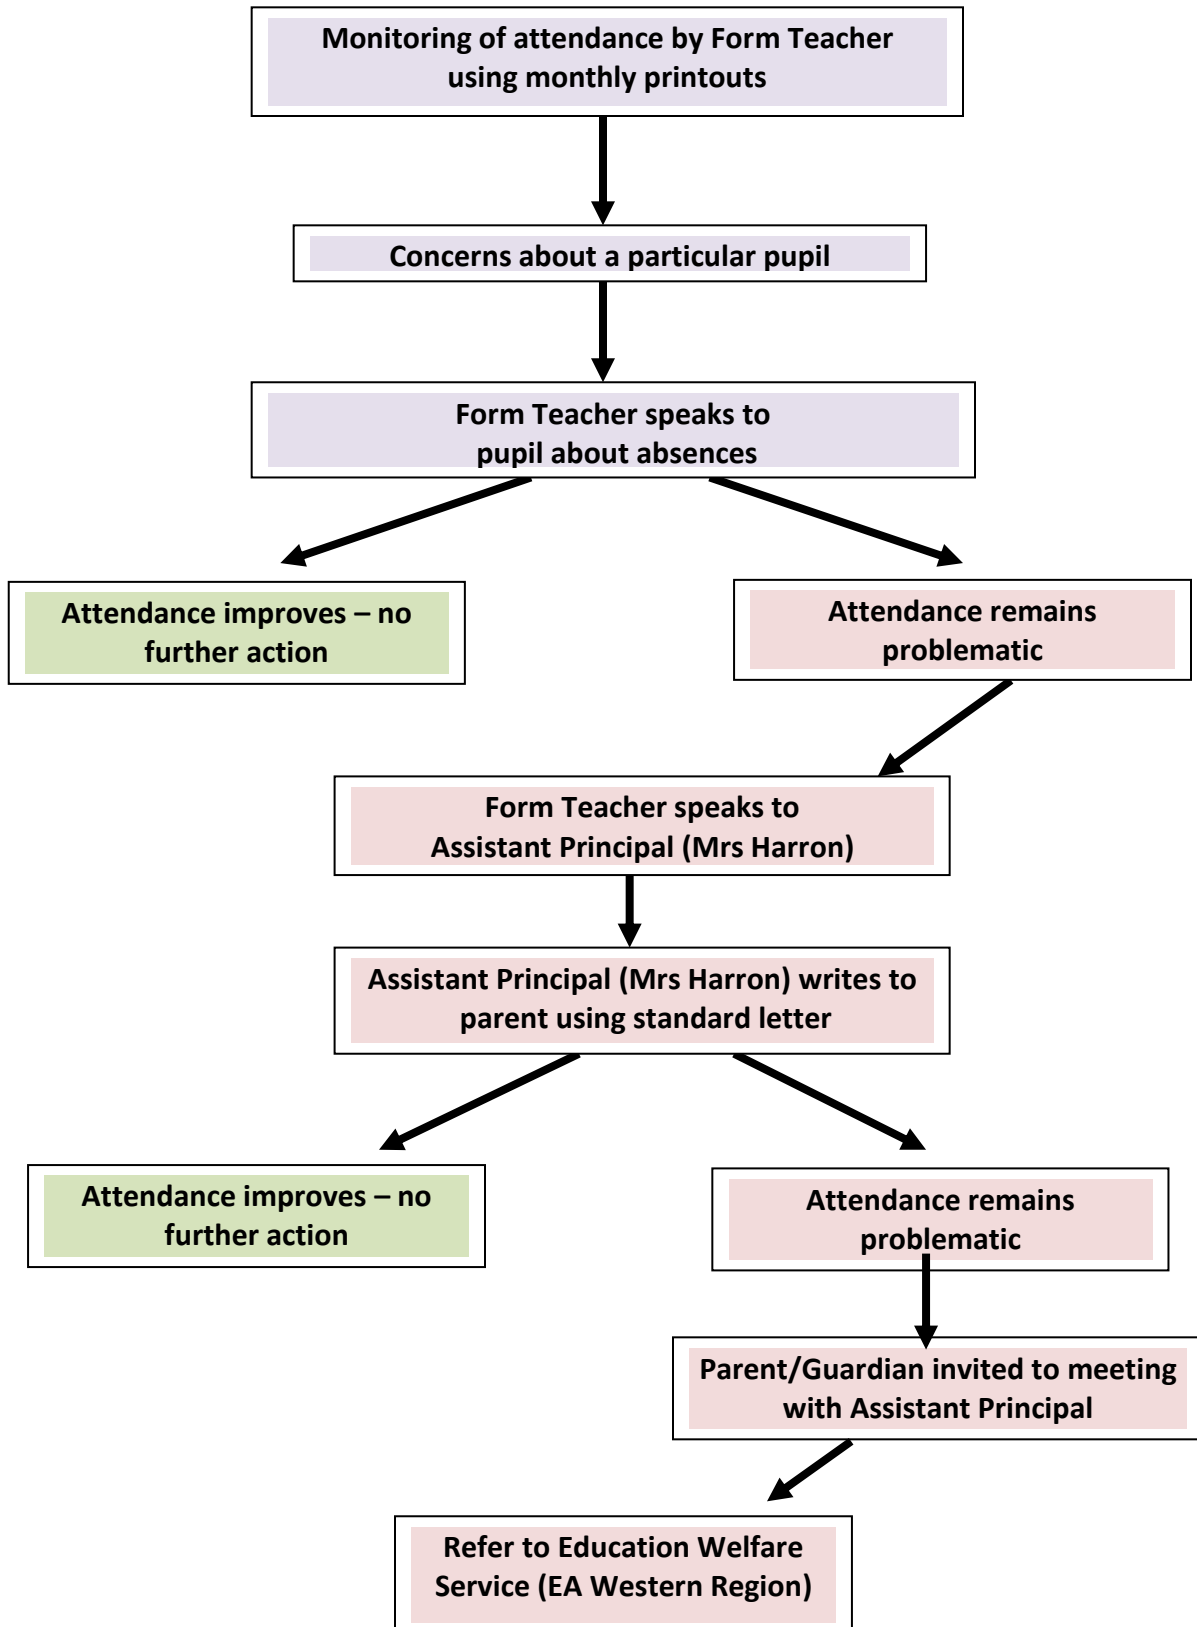

Procedures

1. The Assistant Principal, Ms McGarrity, has overall responsibility for managing the procedures for monitoring pupil attendance across the college. Ms McGarrity will be supported in this role by Mr Bradley.
2. The Clerical Officer Mrs Gataora, and the Senior Executive Officer Mrs Cadden will have responsibility for collating monthly attendance rates for all pupils across the college and inputting this data into a central pupil database.
3. If a pupil is absent, parents/carers are requested to contact the school (either by letter or telephone) preferably by the third day of absence to explain the circumstances. If no message has been received to explain the absence contact with the home may be made.
4. Any pupil requesting absence from school for part of a day or for a whole day or days must seek permission by bringing a note written and signed by her parent/carer giving the reason for the request. This note must be presented to

- the form teacher. The form teacher will complete a permission slip and return it to the pupil. This is then presented to the Assistant Principal, Ms McGarrity, and they will countersign the slip if permission is granted.
5. Medical, dental, optical or other such appointments should where possible **not** be arranged during school hours. If an appointment cannot be arranged outside school hours it is necessary to bring in a letter from a parent/carer giving details of the date and time of the appointment (ideally 24 hours in advance) – this may be accompanied by an appointment card.
 6. Any pupil who is likely to be late arriving at school for a valid reason should aim to notify the office by telephone. She must make every effort to come to school for the remainder of the school day and report to the general office on arrival. A note of explanation is required for all pupils arriving after 9.30am.
 7. Holidays should not be taken during term-time. Pupils who miss school examination papers due to being on holiday will not normally be permitted to sit the examination papers on their return and teachers will not provide work for pupils who are on holiday during term-time
 8. Pupils absent from school due to illness or other circumstances must bring a note written and signed by a parent/carer to explain the reason for absence. This letter should include pupil's name, class and date/s of absence. This note is given to the form teacher at Assembly on the day the pupil returns to school. Absences which are not supported by a note are considered unauthorised and may be considered as truanting.
 9. Teachers may phone homes on occasions to ascertain a reason for absence
 10. In situations where there are significant concerns about a pupil's attendance, a referral may be made to the Education Welfare Service (contacts: L Johnston & A Wright).

These procedures will be followed in the vast majority of cases but there may be occasions when individual circumstances require a different approach. At all times the action taken by the school in consultation with the Education Welfare Officer will be in the best interest of the pupil.

Indicators of School Leadership committed to prioritising attendance

St Fanchea's College has an attendance policy that is documented and accessible for all parents and pupils. This policy reflects each school's duty to keep details of their pupil's attendance and have arrangements in place to address attendance issues.

The attendance policy contains challenging targets which are also part of the School Development Plan. These targets should be monitored regularly at Board of Governors' meetings.

The Senior Leadership Team are proactive in implementing a range of strategies to improve attendance at a whole school level or in their targeting of additional support measures for those struggling with regular attendance including curriculum adjustments or personal education plans.

A clear commitment exists within the Senior Leadership Team to the promotion of regular attendance and to communicate the impact of non-attendance at all appropriate opportunities to staff, pupils and parents.

The Senior Leadership Team are able to identify if areas of its school policies and practices may be impacting adversely on pupil attendance and take action to reduce the impact.

Attendance is a consideration when determining school improvement plans and resource allocations from within delegated school budgets.

All staff understand their role in managing and improving attendance.

The Senior Leadership Team will monitor, evaluate and improve the management of attendance in St Fanchea's College on an ongoing basis. They will understand that circumstances within a school evolve over time and approaches to attendance management need to change to take this into account.

The importance of the link between a pupil's attendance and their potential future attainment is promoted with parents.

The Senior Leadership Team is flexible in how they manage cases of poor attendance taking account of all relevant factors both in the pupil's school life and home life.

Early Intervention - Roles and Responsibilities	
Parents/Pupils	Schools
<p>Parents should be aware of the aim of schools in preventing the establishment of long-term patterns of poor attendance through early intervention. Parents should let the school know of any issues that may impact upon attendance as early as possible.</p> <p>Parents should recognise the role that can be played by parents of young children in helping their children to shape a constructive attitude towards school attendance.</p> <p>Parents should be supportive of the school's efforts to develop positive patterns of attendance amongst pupils from an early age.</p> <p>Parents should understand the need for a positive mind-set on attendance to be developed in pupils from an early age.</p>	<p>St Fanchea's College will robustly follow up on all pupil absences and lateness. Monitor post-registration pupil absence and advise parents of issues by, for example, a phone call or text message.</p> <p>St Fanchea's College ensure there are systems in place to monitor and analyse attendance patterns at an individual pupil, pupil group and whole school level prior to their entrenchment.</p> <p>St Fanchea's College has an attendance policy that documents how the school will apply the principles of early intervention into their work to promote and support the maximisation of pupil attendance.</p> <p>St Fanchea's College has flexible processes in place to enable support to be provided to pupils with poor levels of attendance at an early enough stage to "nip it in the bud".</p> <p>St Fanchea's College will proactively promote the value of school attendance to pupils in their earliest years, particularly in order to establish good attendance practices.</p> <p>St Fanchea's College will take action to react, where appropriate, to changes in a pupil's circumstances that may impact upon their attendance such as a domestic crisis.</p>
Education Authority (Western Division)	Department of Education/ETI
<p>The EA will provide advice to schools on how to identify and address cases of poor attendance at an early stage, prior to the entrenchment of poor attendance practices.</p> <p>The EA will provide effective support as soon as possible in cases referred to the Education Welfare Service.</p> <p>The EA will promote the benefits of early intervention through their engagement with schools.</p>	<p>The Department should work in partnership with the Education Authority to provide clear up to date guidance to schools in respect of early intervention. The ETI should ensure that attendance continues to be examined as part of all ETI inspections and that any concerns are clearly identified in order that appropriate action may be taken.</p> <p>The Department should work with the Education Authority to ensure the importance and value of attendance is communicated at an early stage and that there is active and regular engagement between schools, parents and pupils.</p> <p>The Department should work with the Education Authority to consider awareness raising activities particularly aimed at primary pupils and their parents.</p>
